

# Second-Hand Uniforms News

Dear Parents and Students,

We would like to share some changes we have made to the way our second-hand uniforms shop is operated.

We consist of a small group of student volunteers, supported by the P&C, committed to recycling and offering affordable second-hand clothing to our fellow students. All proceeds go to the P&C who commit funds towards projects that benefit the school community.

In order to offer an accessible and convenient service, we will be opening up shop twice weekly throughout the school term and will also offer the option to make appointments if these times do not suit.

Fixed opening times:

Mondays: 8:10-8:50am

Thursdays: 1:10-1:25pm

Appointments can be made by contacting

[uniforms.team@pshspandc.org](mailto:uniforms.team@pshspandc.org)

Please note that we do have classes to attend so appointments will have to be arranged outside of class time!

Term 2 Winter uniform is fast approaching and whilst we do not have any blazers available for sale right now, we have lots of fleece jumpers, skirts and tracksuit jackets in all sizes. Depending on the condition the items below will range in price from just \$2-\$12.

Donations are always gratefully accepted and can be dropped in to us during opening times or left next door at the social sciences departments.

Don't forget we also support the Clk2sell App <http://www.clk2sell.com/> as a platform for families who prefer to buy and sell uniforms privately and are happy to provide help using this if needed. We find the App works well for more expensive uniform items and you will find a few blazers listed for sale already.

Your friendly uniforms team look forward to seeing you in the shop soon ☺

## KEY INFO

### Shop Location:

Directly above the accounts office.
